Circular

It is observed by the Institute IT team that some students are not following the IT related rules and regulations. This is to inform all the students that they must not indulge in the following IT offences:

a) Bypassing the rules of Institute Internet facilities (i.e. bypassing the firewall).

b) Altering the setting/controls/regulations of the switches/routers/servers.

c) Unauthorized use of the Internet by cracking username and password.

d) Use of ultra surf proxy, proxy VPN, phishing/net-cutter/malicious software.

e) Using anyone else's username and password without knowledge and permission of the concerned person or posting comments on the internet by someone else's name.

f) Accessing passwords and usernames from the server for any purpose, creating any other individual's mail/twitter/facebook/any other account.

g) Hacking of Institute Server/Website, any other individual's website/mail/twitter/facebook/any other account and any other matter as decided by the concerned authority.

All the above violations are being monitored by the IT Team and recorded on the server.

All the students are, hereby, directed for strict adherence and compliance to the Institute IT related rules and regulations, failing which action shall be taken as per the clause no. 8 in the Ordinances, Rules and Regulations.
